Foundation Parent Survey

We are looking forward to engaging with our school community as we build our new school. We are keen to listen to and learn from you as we move towards developing our 2016 action plan. By completing the survey we are hoping to gain an insight into our community and establish ways in which we can inform our school’s direction and determine how you would like to be involved in our school. Please take the time to complete this survey and assist us in our planning for 2016. Please follow this link to access the survey.
