### VOLUNTARY CONTRIBUTIONS

Dear Parents and Carers,

As you may be aware, schools in the ACT are allocated funding by the ACT government to provide for operational needs, such as teacher salaries, cleaning, power bills, water and sewerage, building and grounds maintenance and classroom resources. While this funding is carefully budgeted to pay for the running costs of the school, voluntary contributions provide an opportunity to supplement the school budget and help ensure that Charles Weston School is able to offer the best possible education for all students.

While we are very fortunate to have a brand new school with some fantastic indoor and outdoor facilities and learning spaces, voluntary contributions have the potential to enhance Charles Weston School in many ways, including buying additional targeted teaching resources, sporting equipment and new books.

The School Board has set annual voluntary contribution amounts as follows:

Single child at Charles Weston School - Coombs	\$100.00 per family
Two or more children at Charles Weston School - Coombs	\$150.00 per family

This is a suggested amount for your voluntary contribution. You are welcome to choose a larger or smaller amount and any contribution made by parents will be gratefully received. These contributions are not compulsory, are confidential and do not advantage any child over another (as set out in the ACT Education Act 2004).

If you are able to make a voluntary contribution to the school, please complete the attached form, make your payment using one of the methods listed and return it to the front office.

If you have any questions about the voluntary contribution, Kate McMahon, the Principal, would be happy to discuss them with you via [charlesweston@ed.act.edu.au](mailto:charlesweston@ed.act.edu.au) or phone: 6142 0404

Thank you for your support
