

Expression of Interest

Autumn Orienteering S-C-O-R-E Series representing Charles Weston School

Dear Parents and Carers,

Charles Weston Students from Year 4 -6 were involved in a number of school based orienteering programs in 2020. Through our involvement and the positive feedback from the students we were asked by ACT Orienteering to host one of the races for the up and coming Autumn Orienteering S-C-O-R-E series. This means we are asking for expressions of interest to represent Charles Weston in the 4 week orienteering relay held at the following places.

- 4th March **Charles Weston Primary School**
- 11th March **Combined St Jude's AND Canberra Montessori Schools**
- 18 March **Weston Park** - *not being held at a school but in a Nature Park.*
- 25 March **Weston Park** - *not being held at a school but in a Nature Park.*

The team based Orienteering challenge is for Primary School Aged Children consisting of **TWO GIRLS** and **TWO BOYS** to make up a team. It is targeted for students in Years 3 to 6. However, if younger students have experience in orienteering they may enter.

Transport to and from the events will be the responsibility of parents and carers. It is a four week commitment as the series is held over four Thursday mornings before school 7.45am to 8.45am. The first week starts a little earlier at 7:40am due to the extra briefing time needed (fortunately at CWSC).

ABN. 62 364 519 252

The **cost** for your child/ren to become involved in Autumn Orienteering S-C-O-R-E is **\$28 (+ card processing fees)** for the 4 week series. This includes pre-event instructional advice, full colour maps, provision of individual timing devices, full electronic course verification systems and online results.

To get a better understanding of the S-C-O-R-E series please see the following QR codes to see a short video and a more detailed explanation of the rules of the orienteering relays format.

 video of how a S-C-O-R-E event looks	 For more detail / info or formal rules please visit the SC-ORE page on the OACT website
--	--

Once the expression of interest has been completed by **Wednesday 10 February**. A note will be given out on **Friday 12 February** with the steps to register and the name of the team your child is being asked to register in.
