Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. A risk assessment for this activity has been completed and is available to view upon request.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

The school has made every effort to keep costs for this activity at a reasonable level. Financial assistance may be available to assist families who are not able to make the requested contribution. Please contact the Business Manager. If however there is insufficient total funding available to meet the cost of the excursion, regrettably we may not be able to proceed.

NOTE: Excursions are an optional enrichment activity and parents are expected to cover the costs incurred. If your child is not able to attend on the day, refunds may not be available for some or all of the costs.

The teacher in charge will make arrangements for the welfare of the student (including medical or surgical treatment) in an emergency. The costs associated with any emergency arrangement made by the teacher in charge will be met by the parents/guardians (free ambulance transportation only applies in the ACT).

The student will be under the authority of the school for the duration of the excursion and that the teacher in charge is authorised to return the student to the school at the expense of the parent/guardian if the teacher in charge considers that circumstances warrant such action and after contacting the parent.
