

## Christian Education In Schools

Christian Education is available as a curriculum option at your child's school because parents have requested it. This is based on provisions in the Education Act 2004. The Christian Education In Schools (CEIS) project provides a coordinated service to fulfil such requests. This service includes four modern and interactive sessions each year (one per term and varied each year), prepared professionally and delivered by trained and endorsed volunteers. The one-hour sessions are designed for groups of students to discuss and explore the topics outlined in the image.

Parent permission is essential for children to participate in CEIS. Please use the section below to indicate your preference for your children. However, if you have requested previously there is no need to do so again.

Requests will remain in effect while your child

is at their school, but can be changed by contacting the front office. Each CEIS session will be advertised in the school newsletter. For further information please contact your child's school or visit [www.ceis.org.au](http://www.ceis.org.au).
